It develops that Dan Moeller's injured groin will not keep him out of the game very long. He is expected to be in the line-up today, which means much to the Griffmen. Hughey Jennings admits he needs another pitcher who can win consist-ently before he will have a real chance for the pennant. Whether he will be able to get such a man from one of his rival clubs is decidedly doubtful, but he says he proposes to try every-thing possible in an effort to accom-
